

Terms & Conditions

By downloading or using the apps developed by HoH Studios, or using the www.hohstudios.com website (herein referred to as Website), these terms will automatically apply to you – you should make sure therefore that you read them carefully before using these Services. You're not allowed to copy, or modify the apps, any part of the apps, or our trademarks in any way. You're not allowed to attempt to extract the source code of an app, and you also shouldn't try to translate an app into other languages, or make derivative versions. The apps themselves, and all the trade marks, copyright, database rights and other intellectual property rights related to it, still belong to HoH Studios.

HoH Studios is committed to ensuring that the apps are as useful and efficient as possible. For that reason, we reserve the right to make changes to the apps or to charge for its services, at any time and for any reason. We will never charge you for the app or its services without making it very clear to you exactly what you're paying for.

Apps developed by HoH Studios store and process personal data that you have provided to us, in order to provide our Service. It's your responsibility to keep your phone and access to the apps secure. We therefore recommend that you do not jailbreak or root your phone, which is the process of removing software restrictions and limitations imposed by the official operating system of your device. It could make your phone vulnerable to malware/viruses/malicious programs, compromise your phone's security features and it could mean that the apps from HoH Studios won't work properly or at all.

You should be aware that there are certain things that HoH Studios will not take responsibility for. Certain functions of the apps will require the apps to have an active internet connection. The connection can be Wi-Fi, or provided by your mobile network provider, but HoH Studios cannot take responsibility for an app not working at full functionality if you don't have access to Wi-Fi, and you don't have any of your data allowance left.

If you're using an app outside of an area with Wi-Fi, you should remember that your terms of the agreement with your mobile network provider will still apply. As a result, you may be charged by your mobile provider for the cost of data for the duration of the connection while accessing the app, or other third-party charges. In using the app, you're accepting responsibility for any such charges, including roaming data charges if you use the app outside of your home territory (i.e. region or country) without turning off data roaming. If you are not the bill payer for the device on which you're

using the app, please be aware that we assume that you have received permission from the bill payer for using the app.

Along the same lines, HoH Studios cannot always take responsibility for the way you use the app. (i.e. You need to make sure that your device stays charged – if it runs out of battery and you can't turn it on to avail the Service, HoH Studios cannot accept responsibility)

With respect to HoH Studios' responsibility for your use of the apps, when you're using the apps, it's important to bear in mind that although we endeavor to ensure that it is updated and correct at all times, we do rely on third parties to provide information to us so that we can make it available to you. HoH Studios accepts no liability for any loss, direct or indirect, you experience as a result of relying wholly on this functionality of the app.

At some point, we may wish to update an app. The app may be currently available on Android & iOS – the requirements for both systems (and for any additional systems we decide to extend the availability of the app to) may change, and you'll need to download the updates if you want to keep using the app. HoH Studios does not promise that it will always update the app so that it is relevant to you and/or works with the Android & iOS version that you have installed on your device. However, you promise to always accept updates to the application when offered to you. We may also wish to stop providing the app, and may terminate use of it at any time without giving notice of termination to you. Unless we tell you otherwise, upon any termination, (a) the rights and licenses granted to you in these terms will end; (b) you must stop using the app, and (if needed) delete it from your device.
